Voltaire All men are equal; it is not their birth, but virtue itself that makes the difference. - Voltaire The grand narrative of the Enlightenment, usually recounted and understood in terms of progress and modernity, generally appears as a simplified evolution from the trappings of superstition, feudalism, and everything irrational to a world more similar to todays world. Alongside the Renaissance, the Enlightenment is credited for the transition to an adherence to reason, secularism, and promotion of values such as individual and collective freedom and liberty. At the heart of the movement in France was Franois-Marie Arouet, better known by the pen name Voltaire, whose voluminous writings advocated for greater liberalism, including the freedom of religion and the separation of church and state. In addition to the classic Candide, Voltaire was a biting polemic whose satirical attacks on the Catholic Church were among the fiercest of his day. He also understood the risks he was taking with these...
