Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.THE following extract is from p. 84 of A Calendar of the Shakespearean Rarities, Drawings, and Engravings preserved at Hollingbury Copse, Brighton, that quaint wigwam on the Sussex Downs which has the honour of sheltering more record and artistic evidences connected with the personal history of the Great Dramatist than are to be found in any other of the World s libraries. For special circulation and for presents only, 1887. Whereunto are annexed other various discourses, both pleasaunt and profitable. Imprinted at London for N. L., C. B., and T. H., 1600 - small octavo. In common with two other copies in the British Museum, it has not the verses commencing Fame s windy trump, which have been said, I am sure erroneously, to form a genuine portion of the work. The late Mr. Halliwell-Phillipps also had in his library, and I, as the legatee thereof, now have on my shelves, a gorgeously bound portion of the book...
