AVON BOOKS, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Dr. Amelia Crockett s life was going exactly the way she had always planned--until one day it wasn t. When Mia s career plans are shattered, the always-in-control surgeon has no choice but to head home to Paradise Ranch and her five younger sisters, cowboy boots in tow, to figure out how to get her life back on track. The appearance of a frustrating, but oh-so-sexy, former soldier, however, turns into exactly the kind of distraction she can t afford. Even though Mia can t stand the sight of him, Gabriel Harrison has never returned the sentiment. He can t seem to resist teasing the gorgeous doctor who pushes all of his buttons. And the searing hot kisses they share are turning him inside out. As she begins to work with Gabe, helping former vets recover from severe PTSD with the aid of some wild Mustangs, Mia finds herself becoming more like the person she used to be. She never expected to alter her life plans, and definitely never expected to fall for anyone, least of all the handsome Gabe. But fate and some lucky red boots have a way of changing things. As their lives become more complicated, will Mia and Gabe s love be enough to smooth the way to a happily ever after?.
