

The Road to LaReta: A Novel

Filesize: 8.09 MB

Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Bonnie L Bateman King. Paperback. Condition: New. 346 pages. Dimensions: 8.0in. x 5.2in. x 0.8in. For fans of Orphan Train, Water for Elephants, and The Boys in the Boat comes a novel about the redemptive power of a second chance. Set in the hardscrabble Dakotas during the depths of the Depression, one mans life is changed forever because of a three-year-old girl. In 1939, a Cat Skinner drives an old beat up Chevy from Nebraska to North Dakota. The trip takes three days and covers 900 miles. Webb Bateman is the Cat Skinner, a heavy equipment operator, whose story is not about the earth he moves, but about his journey to attempt redemption. As a young man, in the 1920s and early 30s, Webb is honed behind a pool cue stick, at the end of a fist, behind a plow, in a traveling circus, and in the belly of a coal mine. He marries in 1935 because he believes its the right thing to do when Dorothy, a rural school teacher who loves to dance and who loves Webb, gets pregnant. A thirst for poker, booze and a nomadic lifestyle keeps Webb on the move and away from his wife and child, LaReta, until the day a telegram arrives in Nebraska. Dorothy is dead and her funeral is in three days. The journey to Dorothys funeral gives Webb time to reflect on his 27 years of life. Its too much time and not enough time to grapple with the man he is and the man he wants to be. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
