MY HOME RENOVATION: WHAT YOU SHOULD KNOW BEFORE YOU HIRE A HOME IMPROVEMENT CONTRACTOR (PAPERBACK)

DOWNLOAD

AUTHORHOUSE, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The whole idea for this book was born out of frustration from my own horror stories with contractors, as well as everybody else s that I have learned about. Plenty of people have told me about a bad incident they have experienced with a contractor, which could have been avoided if the customer had been more informed. Trashing home improvement contractors is not the intention of this book. In the construction business, you have some good contractors as well as bad. The main goal of this book is to educate homeowners on some of the finer points of hiring a home improvement contractor. Ask the average homeowner what he or she knows about blueprints, building codes, or home improvement contracts, and I am sure you will not get a lot of answers. This would be similar to someone asking me-an electrician-about investment banking or bond trading. If you re not in the business, then how would you know? Whether I am buying a car or planning to travel, I always do my research prior to making a decision. There is no such thing as getting too much information. Home renovation guides are very popular and ubiquitous. What distinguishes my book from all the others is the amount of detailed information I provide on the do s and don t s as well as the strategies to use and the pitfalls to avoid when hiring a home improvement contractor. The readers of my book will become educated about the tools needed to successfully hire a contractor, while attempting to minimize the aggravation and disappointment that frequently accompanies a great number of home renovations. When a homeowner decides to renovate his or her home, he...
