

Diamonds Everywhere (Paperback)

By Siegfried Beckedorf

Friesenpress, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The author is frequently referring to Diamonds Everywhere in his story. It had its beginning a few months before World War II when, fifteen years of age, he was infected by Tetanus, fatal, if not treated immediately. He was taken to a military hospital nearby which saved his life due to medication available to treat Tetanus. The experience of waking up to wounded soldiers brought on stretchers into the hospital, screaming in pain, was a great shock. While recuperating with other soldiers, the author was inspired by a young officer, heavily wounded, Do not let this experience keep you from enjoying life. I am not going back into the trenches! This is an insane war! I feel encouragement in nature, the sparkle of thousands of Diamonds Everywhere from dew, rain and snow on trees and plants. Look at nature's wonders for healing and encouragement. The author and his wife Ursula were inspired by great people to overcome the effects of World War II. Greeted and encouraged by Diamonds Everywhere they enjoyed life filled with songs and music.
