THIS MORTAL FLESH: A NOVEL OF THE AWAKENING DEAD (VOLUME 1)

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 242 pages. Dimensions: 8.0in. x 5.0in. x 0.6in. The world has died. Maybe you noticed the fires, the crashes, and screams. The zombies. I was one of them, just another mindless goon then I woke up. Looked around. Noticed the scarcity of prey, the abundance of predators. Even a dead man can do that math. I made a plan. Gathered weapons and gear. I put down crowds of goons, walking among them, bullets to their heads. Made hot meals of survivors who mistook me for salvation. When I found a group of humans hiding in a junkyard, my plans coalesced. I began leaving them piles of food and supplies. Fattened them up. Built their trust. Promised them I would lead them, one at a time, to a safe haven, a zombie-free zone. The dead can't be trusted, of course, but they don't know I'm dead. Others in the city also prey on the weak humans who treat their own kind worse than goons ever could, and more of my kind slowly awakening to a new consciousness. None complicate my schemes more than Jane, the human from the junkyard who hunts and scavenges in my city like a jungle cat. But I have only one imperative, one goal, one desire burning like fire in my brain: This Mortal Flesh. This item ships from La Vergne, TN. Paperback.
