Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. 4chan is the Anti-Facebook, a site that radically encourages anonymity. It spawned the hacktivist group Anonymous, which famously defended WikiLeaks founder Julian Assange by bringing down MasterCard s and Visa s websites. Created by a 15-year-old wunderkind in 2003, it is the creative force behind the Web s most infectious memes and catchphrases (Wired). Today it has over 12 million monthly users, with enormous social influence to match. Epic Win is the first book to tell 4chan s story. Longtime blogger and 4chan expert Cole Stryker writes with a voice that is engrossingly informative and approachable. Whether examining the 4chan-provoked Jessi Slaughter saga and how cyber-bullying is part of our new reality, or explaining how Sarah Palin s email account was leaked, Epic Win for Anonymous proves 4chan s transformative cultural impact, and how it has influenced--and will continue to influence--society at large.
