Excerpt from **President s Annual Report to the Board of Curators: 1902-1903** Gentlemen: - I have the honor of transmitting to you Reports for the session of 1902-1903 from the Deans of the Academic, Law, and Medical Departments, from the Director of the School of Mines, and from the Dean of the College of Agriculture and Mechanic Arts, which includes the Experiment Station and the Department of Engineering. Reports are included from the Chairman of the Committee on Graduate Work, the Director of the Summer Session, the Librarian, and the Proctor. The statistics, if carefully compiled, as I suppose them to be, should show the direction in which the University is moving. In presenting to you this report at the close of the twelfth year of my service as President of the University, I desire to submit some statistics of a general nature pertaining to the whole University.
