

How to Make Soap (Paperback)

By J D Rockefeller

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Soap plays an important role in maintaining cleanliness and hygiene. No wonder that trillions of soap bars and solutions are sold around the world every year. But soaps sold in department stores contain ingredients that may be harmful to your skin. Some of these soaps contain detergents that can cause allergies to the skin, especially in children. They also dry out your skin making it flaky and itchy. This is why many people are making their own soaps right at their home. Making your own soap allows you to control the ingredients that you use. You can use ingredients that are skin-friendly as well as eco-friendly, something which is not possible with store-bought soaps. Home-made soap is tolerated by most people and doesn't cause any allergies. Most ingredients used in homemade soap are completely natural and cause no irritations. However, if there is any specific ingredient that you are allergic to, you can simply chuck it out the next time when you make your soap. So, maybe you do want to make your own soap. But the question is:...
