Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Two years ago last February, I think it was on a Tuesday morning, I started as usual very early to distribute my papers. I had a large bundle to dispose of that day, and thought that if I took a short cut across the fields, instead of following the road from Roxbury to Jamaica Plain, I could go my rounds in much less time. I do not care to tell precisely where it was that I jumped over the fence; but it is a rough, barren kind of spot, which nobody has ever done any thing to improve. After walking about a third of a mile, I began to think that I had better have kept to the turnpike; for I found that I was obliged to clamber over an uneven, rocky place, among trees and bushes and shrubs, that grew just thick enough to bother me, so that I hardly knew where to put my feet.
