Reviews

I just started off looking at this pdf. Of course, it is perform, continue to an amazing and interesting literature. I realized this pdf from my dad and i recommended this book to understand.

(Mrs. Ettie Berge)

THE COMPLETE AESCHYLUS, VOLUME II: PERSIANS AND OTHER PLAYS

Oxford University Press, USA. Paperback. Condition: New. 432 pages. Dimensions: 7.8in. x 5.3in. x 1.0in. Based on the conviction that only translators who write poetry themselves can properly re-create the celebrated and timeless tragedies of Aeschylus, Sophocles, and Euripides, the Greek Tragedy in New Translations series offers new translations that go beyond the literal meaning of the Greek in order to evoke the poetry of the originals. The volume brings together four major works by one of the great classical dramatists: Prometheus Bound, translated by James Scully and C. John Herrington, a haunting depiction of the most famous of Olympian punishments; The Suppliants, translated by Peter Burian, an extraordinary drama of flight and rescue arising from women's resistance to marriage; Persians, translated by Janet Lembke and C. John Herrington, a masterful telling of the Persian Wars from the view of the defeated; and Seven Against Thebes, translated by Anthony Hecht and Helen Bacon, a richly symbolic play about the feuding sons of Oedipus. These four tragedies were originally available as single volumes. This new volume retains the informative introductions and explanatory notes of the original editions and adds a single combined glossary and Greek line numbers. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
