90-Minute Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Here s How to Get the True Value for Your Home When You Go to Sell. You ve checked Zillow, and it says your home is worth less than you think. You ve seen a neighbor sell their home recently, but they didn t get as much for it as you thought they should. You want to sell your home, but you don t want to give it away. The confusing part is knowing how to find an agent who isn t going to insist on price reductions at every turn. That s where we come in. We help people just like you sell your home for its true value, no matter the circumstances. Step 1: We meet with you to preview your home and offer any staging, de-cluttering, and suggested repairs that we have found helps sell homes more quickly and maximize value. Step 2: We pull all the comparables for your home and share them with you to help pinpoint the value of your home in today s market. You will know exactly how we came up with the price and can have input in the process. Step 3: We take it from there, using our unique marketing to expose your home to the best possible buyers, all the while protecting your interests throughout the entire process. Most people think selling their home requires dropping the price of their home until they get a taker. Now you can sell your home with the systems and strategies for finding the right buyer to pay the true value within the timeframe that works for you. If you d like us to help, just send an email to and we will take...
