## Working Class Politics In The German Revolution (historical Materialsim, Volume 77): Richard Muller, the Revolutionary Shop Stewards and the Origins of the Council Movement (Paperback)

By Ralf Hoffrogge

Haymarket Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. div> Hoffrogge has done historians of the German Revolution and the Weimar Republic a valuable service by reconstructing the trajectory of a key figure in the revolution (and one of its most important early historians), and by enabling us to see these events through the different focus afforded by a leading protagonist of the workers councils --Andrew G. Bonnell, Labour History, Australia In this study of Richard Muller s role in the German Revolution, Ralf Hoffrogge sheds light on one of the most important, and yet understudied, aspects of the upheaval: the role of revolutionary shop stewards and workers councils in the overthrow of the old order and the establishment of the new one.[T]his work provides a much-needed perspective on the German upheaval from the bottom up. It places Richard Muller s long neglected role in the revolution at center stage, and reminds us of the revolutionary promise that was the German Revolution. --William Smalldone, Against the Current Hoffrogge s biography differs from those written about revolutionary icons like Liebknecht or Luxemburg for very practical reasons. The latter were from middle-class backgrounds and used to writing...

### Reviews

*This composed book is excellent. This really is for all who statte that there had not been a worth reading through. Your life period will probably be change as soon as you total looking over this ebook.*
