

Zen Radicals, Rebels, and Reformers (Paperback)

By Perle Besserman, Manfred Steger

Wisdom Publications, U.S., United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. The revolutionary figures in this book are those innovative, non-conformist masters--Zen madmen --whose unorthodox behavior has helped define the radical countercultural movement known simply as Zen. In Zen Radicals, Rebels, and Reformers you'll meet Zen boat-rockers that span from early eighth-century China all the way to the bustling streets of modern-day America with a stop in the middle to visit a courageous Zen master who made the ultimate sacrifice in his resistance to the brutal actions of the Japanese government in World War II. These remarkable masters show us through their audacious actions and fearless words that the pursuit of spiritual awakening must ultimately be a rebellion against the very foundations of suffering in the world.
