

A Moral Case for Capitalism: Why Basic Human Morality Calls for Free Markets (Paperback)

By Cameron Kawato

Cameron Kawato, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book's main goal is to act as a handbook/manual for the modern libertarian or conservative. Whether you are in a college class, consuming the news, or watching a Hollywood movie, you will very likely be fed the lie that capitalism is immoral. You'll be told that all of the world's ills spring from capitalism and if we simply replace it with a different system like socialism or even communism, the world's ills will be cured. That is a blatant lie. In reality, economic systems like socialism or communism are immoral. This book exposes them for what they really are - power-grabbing scams. It also gives an alternate view on economics that rarely comes from the classroom, the media, Hollywood, or other powerful institutions. The book is intended to be quite short as many people do not have the time nor desire to consume a 200,000-word book on economics. It is also written to be digestible for anyone at a high school reading level and there are no complex economic equations. Each paragraph attempts to offer the reader a...
