

Realities of Self-Editing: From a Line Editor (Paperback)

By Misti Wolanski

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. To be able to learn something well, you must first have that light bulb moment when you understand it-what it is, how it works, why it has the capabilities and limitations that it does. This book is your light bulb for self-editing. It isn't a checklist of rules or specifics to tell you, This is wrong. or This is right. Why not? Because You must never do X and You must always do Y are both BS. Every technique has situations where it's best avoided. Every technique has situations where it's best used. Some of those situations might be highly unlikely to appear in your writing-ever-but hey, I'm not you. I don't know what you're writing and why, and I've probably not read any of your work. But I have read well over 2,500 books, and that's not including the hundreds I've edited. And I have tutored and helped others improve their writing ability, even when they thought they couldn't learn. I'm skilled at spotting the gaps in things, the holes...

Reviews

The publication is easy to read through, safer to comprehend. It is actually loaded with wisdom and knowledge. It's been printed in an extremely simple way and is particularly simply right after I finished reading through this pdf where it actually modified me, affected the way I believe.

-- **Ms. Clementina Cole V**

This is the very best publication I have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer created this pdf.
