START A COMMERCIAL OR RESIDENTIAL CLEANING BUSINESS: LEARN HOW TO START AND OPERATE A CLEANING BUSINESS (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is aimed at helping others learn how to start a small, independently run commercial or residential cleaning business. As the saying goes, Give a man a fish and you feed him for a day. Teach a man to fish and he feeds himself for a lifetime. It is my hope that by writing this book, I will teach someone how to think, act, and to work like an independent businessperson. Before there were factories and assembly lines and huge multinational corporations, there was the family with its small spot of land from which the family drew its sustenance. The landowner worked the land and grew crops and raised livestock and poultry which he sold to neighbors and nearby townspeople. Mother, father and children were all involved with the task of providing for the family. This was the original spirit of America-the spirit of freedom and independence. Somewhere along the way that spirit of freedom and independence got lost in the shuffle. The Industrial Revolution ushered in an age of dependence and reliance on the act of working for someone else in order to feed one's own family. Later there came the spirit of depending on the federal and state governments to act as a safety net to help families in dire straits. The citizens of the world must change their thinking and change it quickly. At the time I started writing this book in January, 2014, the unemployment rate for the United States of America was hovering around 7 . I looked at this figure and thought, there is something wrong here. I realized that we as Americans and the citizens of the world have surrendered our freedom and...
