Melville House Publishing, United States, 2017. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. THE NEW YORK TIMES BESTSELLER The culmination of nearly 30 years of reporting on Donald Trump, this in-depth report by Pulitzer Prize-winning investigative reporter David Cay Johnston takes a revealingly close look at the mogul's rise to prominence --- and, now, ultimate power. Covering the long arc of Trump's career, Johnston tells the full story of how a boy from a quiet section of Queens, NY would become an entirely new, and complex, breed of public figure. Trump is a man of great media savvy, entrepreneurial spirit, and political clout. Yet his career has been plagued by legal troubles and mounting controversy. From the origins of his family's fortune, to his own too-big-to-fail business empire; from his education and early career, to his whirlwind and ultimately successful presidential bid, *The Making of Donald Trump* provides the fullest picture yet of Trump's extraordinary ascendancy. Love him or hate him, Trump's massive influence is undeniable, and figures as diverse as Woody Guthrie (who wrote a scathing song about Trump's father) and Red Scare prosecutor Roy Cohn, mob bosses and high rollers, as well as the average American voter, have all been pulled into his orbit. Drawing on decades of interviews, financial records, court documents, and public statements, David Cay Johnston, who has covered Trump longer and more closely than any other journalist working today, gives us the most in-depth look yet at the man who has shocked the world. Provides useful, vigorously reported overviews of Mr. Trump's life and career . Mr. Johnston, who has followed the real estate impresario for nearly three decades, offers a searing indictment of his business practices and creative accounting. --Michiko Kakutani, *The...*
