Bantam Doubleday Dell Publishing Group Inc, United States, 1994. Paperback. Condition: New. Language: English . Brand New Book. Set in a courtly world of masked revels and dances, this play turns on the archetypal story of a lady falsely accused of unfaithfulness, spurned by her bridegroom, and finally vindicated and reunited with him. Villainy, schemes, and deceits threaten to darken the brilliant humor and sparkling wordplay-but the hilarious counterplot of a warring couple, Beatrice and Benedick, steals the scene as the two are finally tricked into admitting their love for each other in Shakespeare s superb comedy of manners. Each Edition Includes: - Comprehensive explanatory notes - Vivid introductions and the most up-to-date scholarship - Clear, modernized spelling and punctuation, enabling contemporary readers to understand the Elizabethan English - Completely updated, detailed bibliographies and performance histories - An interpretive essay on film adaptations of the play, along with an extensive filmography.
