Sentient Publications, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. The Ashtavakra Gita is a very ancient Sanskrit text, probably dating back to the classic Vedanta period. It was appreciated and quoted by Ramakrishna, Vivekananda, Ramana Maharshi, and Radhakrishnan, as it presents the traditional teachings of Advaita Vedanta with a clarity and power very rarely matched. It has been called a quantum leap into the absolute . Its message is that there is neither existence nor non existence, right nor wrong, moral nor immoral. In the view of the sage Ashtavakra, the apparent author of this text, one s true identity can be found by simply recognising oneself as pure existence, or the awareness of all things.
