But you can call me Ned the Nerd. No, really . . . I dont mind. My hobbies include: video games, comic books, creating superhero characters, bringing home awesome grades, tumbling into school lockers, and handing over my lunch money. Talents Well, I have mastered the art of duck-and-cover while steering clear of Beck the Bonebreaker, my personal bully. Unfortunately, a super-bad school day involving a paper cut causes my parents to flip: They drag me to a karate class to toughen up. Let me tell you something: When a guy like me lines up next to a cute girl to face his very first workout at the mercy of a weapons-happy martial arts teacher, its not pretty. But when a guy like me gets hauled into the woods in the middle of the night for another lesson, hes going to wonder if superheroes can really exist and if his uncoordinated feet have just been placed on a very strange path. This item ships from La Vergne,TN. Paperback.
