SHELLING PEAS (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This anthology of poems covers a variety of topics, including memory, memories, time, and nature. Thinking about the mechanics of how our memory functions (or malfunctions!) led me to write The Art of Memory and The Tip of My Tongue . Some of my childhood memories are covered in School Days and Shortening Pencils , as well as Noises Off . Shelling Peas is about me remembering the relationship I had with my Dad. Other poems are observational in style, as a result of spending time looking out of the window at the garden (Autumn Landing) and being at a pizza restaurant in London (Christmas in February).
