TURBULENCE: A TRUE STORY OF SURVIVAL

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A riveting, inspirational true story of an incredibly resilient woman who broke professional barriers as a Dutch banker, was the sole survivor of Vietnam Airlines Flight 474, found love after the loss of her fiance, and continues to raise her autistic son, never wavering in her optimism. On the morning of November 14, 1992, Annette Herfkens, a top Dutch banker (and one of the few female international bond traders on Wall Street), packed her luggage for a romantic getaway with her longtime fiance, Willem. At 6:25 that morning, Annette and Willem boarded a plane out of Ho Chi Minh City, with 23 other passengers and six crew members, excited to finally have a vacation together. Six minutes before landing, flying at speed of 300 miles per hour, the plane lost altitude and crashed along a mountain ridge in the jungle of Vietnam. At first Annette heard the voices of other passengers, but soon they went quiet. Annette was the only survivor. For eight days she lay injured and alone, with only rainwater to sustain her. Presumed dead, her obituary made it into local newspapers. What followed is an incredible story of survival, mystery, and the endurance of spirit. Even after surviving and learning to cope with her harrowing experience, Annette s biggest life challenge began years later, when her son Maxi was diagnosed with autism. As she weathered the joys and challenges of raising Maxi, Annette often called upon the profound insights she learned during those eight days, viewing every turbulent event in her life with the unflinching optimism of a true survivor. This is an inspiring account of one woman s journey and perseverance, as a plane-crash survivor and even more so as a devoted...
