FLYOVER NATION: YOU CAN T RUN A COUNTRY YOU VE NEVER BEEN TO (HARDBACK)

Penguin Putnam Inc, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Loesch is alarmed that America is fracturing into two countries not North and South, but Coastal and Flyover. Coastals think every problem from hurt feelings to the cost of birth control requires government intervention and huge federal spending. Flyovers know that money isn t magic fairy dust, and many problems can be solved only by individual character and hard work. It would all be funny if Coastals weren t winning on most of today s big issues. As Loesch writes, Most of these pinkies-out, cocktail- drinking- appletini fans selfishly entertain grandiose plans of economic equality without realizing the negative impact their plans would have on the very people they pride themselves on helping. That s...
