Excerpt from Lindsay s Luck: A Fascinating Love Story Norman was a younger son, but fortune smiled upon him, nevertheless. There is no richer living than Guestwick in England or Wales, and cer tainly no more aristocratic one. The country gentry and nobility attend the High Church and approve of the Rector. The family drive to ser vice in a velvet-lined carriage, while Blanche and Mrs. Charnley make their charity rounds in a pony phaeton, whose ponies are miracles of value in themselves. Accordingly, any astute reasoner will observe at once that it is impossible for even that most select of dragons, Lady Laura s guard ian, who is something slow and heavy in Chan cery, to object to his ward s intimacy with the Guestwick Charnleys, as they are called.
