

A Climate of Change (Paperback)

By Bill Giles Obe, John Teather

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Weather is a national obsession. It is well-known to be the first topic in any conversation. It either delights or depresses. When we have long hot periods we look for rain, and after the rain we seek the sun. Our weather in the UK is a topic of conversation throughout the world as it illustrates the stoic nature of the British! Nobody who lives on our island is excluded from the effects of our weather, be it a mother hoping for sun on her daughter s wedding day, to those caught in the recent flooding, to those who daily live their lives with the weather such as farmers and fishermen. Ever since the first radio broadcasts by the BBC in 1926 weather was a feature. Even when the first public Television service started in 1936 it included a weather forecast. Then in 1954 the BBC introduced the first weather TV forecast with a weatherman . Today we take for granted our weather forecasts not realising the technological and presentational changes that have taken place over the years. Good television...
