Piping Plover Press. Paperback. Condition: New. 214 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Molly Bishop loves living in Manhattan and managing a boutique luxury hotel. Shes about to be promoted to her dream job of General Manager, the role shes been striving for her entire career. Theres only one thing standing in her way. The will of her childhood friend, Christian Fords grandfather. She hasnt even seen Christian in over ten years, but a recent run-in with his grandfather during a rare visit home, resulted in a new condition to the will. Christian will only inherit the ranch hes been running and the real estate development business that he has expanded, if he marries Molly and stays married for at least six months. This is what I would call a cozy romance, its romantic and sweet and is set in a small fictional town about 30 miles from Bozeman, MT. Warning, if you prefer your stories with the bedroom doors wide open and the windows steamed up, you may be disappointed. :) I love to cook and try new recipes and if you do too, you may want to check out the recipe I included at the end of the book, for Lazy Lobster Casserole, the dish that Molly serves her guests at the Rose Cottage Inns first wine dinner. Its a recipe I know by heart and have made a million times and is great for special occasions. Its a holiday tradition in our family to have it every Christmas Eve. :) This is a novel of about 50k words and 215 pages. Excerpt Chapter One This is a joke right Christian Ford looked at his lawyer, and best friend, Travis Jones in disbelief. Now he understood why Travis had insisted that he come by his office..
