

Earth Rising: the Revolution toward a Thousand Years of Peace (Paperback)

By Nick Begich, James Roderick

Earthpulse Press, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. Earth Rising the Revolution Toward a Thousand Years of Peace is about technology and its impact on humanity. This book is about the basis of freedom, human dignity, sovereign individuality, and self-determination. The material will be shocking to all. This is an expose on technological advances which may reshape the destiny of mankind in the next millennium. This book covers a number of separate areas with extensive documentation from governmental, academic, and major media reports, including:

- *The revolution in military affairs and its impact on freedom.
- *Mind control and the manipulation of human health through the use of drugs, electromagnetic weapons, and other means.
- *Non-lethal weapons and their use and impact on people.
- *Environmental weather control.
- *New technologies which will virtually eliminate privacy from the world scene.
- *Militarization of law enforcement around the country.
- *The HAARP story updated, showing additional evidence of the military's plans to manipulate the environment.
