Vandrer Mod Lyset. Hardback. Condition: new. BRAND NEW, Questions and Answers: First and Second Supplement to Toward the Light, Johanne Agerskov, Michael Agerskov, This book combines the first and second supplement to 'Toward the Light' in one volume and contains commentaries on the message of 'Toward the Light'. It answers questions on the origin of human existence, on the problems of life on Earth, and on our relationship to God. It explains the cause of evil in this world and the grief and suffering of human existence. Together the two supplements offer a wealth of concise information, covering a wide range of subjects, from science to philosophy, in a way that casts light on practically every aspect of life. It was furthermore the wish of the transcendental world that human beings should be given authentic guidance in the important area of sexual matters. This guidance has been included as a special appendix to this book entitled 'Marriage, Birth Control and Abortion', since it was not occasioned by questions from the earthly world.
