## MEMORABILIA, 1941 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Memorabilia, 1941 It is a real pleasure to write you a few words of greeting. Almost a year has passed since I have been with you. Most of this time has been spent in studying the program of the College. This means that I have been learning what you as students are doing to prepare yourselves to teach the young Americans who will come under your care. May I compliment you on your achievement. Education generally consists of the acquisition of knowledge, the building up of a number of skills, and the development of the right attitudes. But to this you must add a wholesome philosophy of life. Only by such a complete education will you be able to light the path of those who come under your guidance. By such help they may go forward to noble ends without faltering. The National Education Association has adopted a platform of principles which are: (1) teacher education in a democracy must have a definite objective; (2) teacher education must lead to an understanding of the major problems of social life; (3) teacher education must develop leaders in the major learning areas and learning levels; (4) teacher education must provide for professional integration and orientation; (5) teacher education must provide for selection and guidance and for evaluating results. These five principles will give you something to hold fast to as you are tossed about on the uncharted sea of pedagogy. You will be responsible for the happiness of every child on whom your influence falls. May I urge you to be faithful to your trust. As the year draws to a close, I wish you success and happiness in every under, taking. After...
