By -

John Wiley and Sons Ltd, United States, 1997. Hardback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****.While derivatives continue to play an increasingly vital role in driving today's global financial markets, they also continue to be one of the most complicated and often misunderstood financial instruments in the marketplace. In *Derivatives Handbook: Risk Management and Control*, two of the field's leading experts bring together the best, current cutting-edge thinking on derivatives to provide a comprehensive and accessible resource on risk management. *Derivatives Handbook* presents a cogent, clear-eyed, and fresh perspective with an all-star roster of leading practitioners, academics, attorneys, accountants, consultants, and professionals who share their invaluable insights. These seasoned players provide incisive discussions on a wide range of topics, including Risk and Regulation in Derivatives Markets, Credit Derivatives, and Minimizing Operations Risk. Plus, there are comprehensive sections dedicated to case law and legal risk, risk measurement, risk oversight, regulation, and transparency and disclosure. For further guidance, *Derivatives Handbook* provides a concise survey of literature on some of the most significant scholarship in recent years. This book contains a wealth of probing, informative articles for not only finance professionals, but also for...
