

Engraving Glass (Paperback)

By Boyd Graham

Dover Publications Inc., United States, 2012. Paperback.
Condition: New. New edition. Language: English . Brand New Book. Lucidly written and illustrated. -- The Glass Engraver If you ve ever admired the exquisite beauty and craftsmanship of Steuben, Tiffany, Orrefors, or other fine engraved glass and wished you could engrave glass yourself, this book is for you. It provides step-by-step instructions for diamond-bur engraving, from making the first cut to displaying the finished work. The author, a prize-winning engraver, provides a detailed summary of tools and equipment you will need and suggestions for setting up your workshop, along with easy-to-follow practice exercises to give you a feel for working with glass and glass-engraving equipment. Mr. Graham then guides students through four complete projects, ranging from a simple tree design to a more complex flower engraving. Here are other practical features that make this book ideal for the novice: a useful discussion of design considerations and applications, review of supplemental tools and advanced techniques, expert advice on choosing glass, suggestions for the arrangement and lighting of finished pieces, and more. Over 100 helpful illustrations enhance the text. With this inexpensive book as your guide, you ll find learning the fundamentals of glass...

Reviews

This is the best pdf i actually have read till now. It typically fails to charge too much. Your life period will probably be transform the instant you total reading this publication.

-- **Dr. Don Morissette V**

This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).

-- **Bettie Gutmann**
