By -

SAGE Publications Inc, United States, 2004. Paperback.
Condition: New. 2nd Revised edition. Language: English . Brand New Book. European Business and Marketing is published at the beginning of the new millennium and incorporates much modern thinking in Europe. It includes material on the Euro and the enlargement of the European Union (EU) and the development of global companies with a European base. The text has been researched and written especially for students on undergraduate and postgraduate courses, who need to understand modern European marketing, the EU and the distinct features that are emerging in the world's largest marketplace. The text includes chapters on marketing strategy in Europe and business culture. It also covers such issues as the expansion of the Union, the development of the Euro as a single currency, economic and monetary policy. The text looks at Europe holistically and builds on modern theoretical concepts to look at the present state of business in European and future trends. Through seven core chapters the reader is introduced to the issues that are emerging within the EU and its relations to the wider Europe and the rest of the world. The book introduces the following significant themes: 1. The importance...
