

The Geography of Heaven (Paperback)

Filesize: 6.91 MB

Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Dominic Collins)

Electric Tactics, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If we believe that Heaven is real, we should not expect it to look like a cartoon. The fairy tale picture of Heaven as a place where the souls of the departed have tiny wings and fly around on clouds, wearing white robes and playing harps, has very little to do with what the Bible says about Heaven. The Bible describes an Eternity more complex place than most people think. It is not just Heaven and Hell. The Bible also talks about Sheol, Hades, Tartarus, Gehenna, the Lake of Fire, the Abyss, New Jerusalem, Paradise, New Heaven and New Earth. And here s a funny point: Nowhere does the Bible say that anyone goes to Heaven when they die. That s someplace else.
