Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

BEDTIME AND OTHER STORIES FROM THE PRESIDENT'S GUEST HOUSE (HARDBACK)

Benedicte Valentiner, 2011. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Benedicte Valentiner invites the reader behind the scenes of one of the world's most prestigious official guest houses: the historic, charming, and beautiful Blair House, across from the White House. Her anecdotes about the world's most powerful leaders are revealing, entertaining, and dramatic; we are present when George H. W. Bush plays with his grandchildren, when an inebriated Boris Yeltsin is discovered wandering through Blair House, and when the Togo delegation's luggage reveals a smoked monkey, an enormous lizard, and giant cockroaches. Mrs. V also writes about the year spent in raptor research in Iran, about weaving in Mexico, and how she very early decided on the career which led her to one of the world's most prestigious hospitality positions. Clad but sparsely, having forgotten to put on his pajamas, the mighty President of the Russian Federation was briefly dressed as he negotiated the back stairs with the certainty of a person who had a directional problem. He was stoned out of his skull - and he was almost naked. Our security officers were glued to the computer screen. At the bottom of the circular emergency staircase going from the dressing room in the Primary Suite and leading to the New...
