## Forest World (Paperback)

By Felix Salten

SIMON SCHUSTER, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. The forest is a whole different world. Felix Salten's classic story of wild and tame animals coming together is brought vividly to life in this refreshed edition, ideal for collecting. To the animals of Lodge Farm, the woods are a forbidden place filled with danger and uncertainty. For the wild animals in the forest, the farm is just as frightening, because Man lives there. The two worlds are next to one another, but couldn't be further apart. When the groups, tame and wild, begin to interact, each begins to question how life would be different on the other side. Mani the donkey ventures into the forest for an adventure, while a doe and her two fawns seek the safety of the barn when poachers threaten them in the woods. Will the animals choose to stay in their new lives? Or will the call of home be too great?.
