## THE DIAGNOSIS OF LOVE (PAPERBACK)

Random House USA Inc, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. This charming and accomplished novel chronicles a young doctor s journey to heal her own heart-in a tale that will resonate with every woman who has ever tried to make a new start. Dr. Holly Campbell is trying to outrun the symptoms of her life: her grief over her mother s recent death, her chronic missteps at love, and, most of all, the doubts she s had about her career since she started resenting her patients for being sick. So answering an ad for a residency program in rural England seems like the perfect escape. By leaving home, Holly is following in her mother s footsteps. But while her mother fled to medical school on Grenada, Holly has come to an odd little English hospital-where fate intervenes. For Holly no sooner learns that practicing medicine in England is like driving on the wrong side of the road than her twin brother s runaway fiancee shows up on her doorstep, her grade-school crush turns up in her dormitory, and her mother s old lover appears at lunch. How can Holly cure their ailments if she can t even diagnose her own? Filled with the heartbreaking and healing powers of love, The Diagnosis of Love is the witty, warm, perceptive tale of a young doctor colliding with the past-and choosing her own future.
