Taylor Francis Ltd, United Kingdom, 1999. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Classical Mythology in English Literature brings together a range of English versions of three classical myths. It allows students to explore the ways in which they have been reinterpreted and reinvented by writers throughout history. Beginning with a concise introduction to the principle Greco-Roman gods and heroes, the anthology then focuses on three stories: * Orpheus, the great musician and his quest to free his wife Eurydice from death * Venus and Adonis, the love goddess and the beautiful youth she loved * Pygmalion, the master sculptor who fell in love with his creation. Each section begins with the classical sources and ends with contemporary versions, showing how each myth has been used/abused or appropriated since its origins.
