It s stories of Ocean City, MD, the mid-Atlantic, the Outer Banks, and more. Put your toes in the sand and the wax in your hand as you drop into the pages of this vibrant set of surf stories from Earl Shores. It s a Top 20 of his best work, including favorites from his early days with Eastern Surf Magazine. And it s one of the few surf books ever written from a purely East Coast perspective. That means Surf Lessons isn t full of heroic gnarly surf dudes trekking the globe for perfect waves. Instead, Shores aims his focus on the ordinary moments of the surfing experience. After putting the reader in his regular guy flip-flops, he never fails to capture the passion that inspires surfers to rise before dawn to catch the uncrowded early morning calm. This is a book that all readers can enjoy. So even if you ve never climbed into a thick wetsuit for a wintertime wave fix, you will still enjoy Surf Lessons. Just bring your sense of adventure and your sense of humor. And be ready to shake the sand from your trunks and the water from your ears as you turn the final page.
