Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Lotta Schmidt and Other Stories On an evening of September, when there was still something left of daylight, at eight o'clock, two girls were walking together in the Burgplatz, or large open space which lies between the city palace of the emperor and the gate which passes thence from the old town out to the new town. Here at present stand two bronze equestrian statues, one of the Archduke Charles, and the other of Prince Eugene. And they were standing there also, both of them, when these two girls were walking round them but that of the prince had not as yet been uncovered for the public.
