Orion Publishing Co, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. An extraordinary, powerful and controversial debut about a mother s dark story.From the warm light of her sleeping baby s nursery, the curve of her husband s arm, the soft embrace of an old friend, the anonymous narrator of THE MOTHER S TALE whispers to you her intimate fears, her deepest held desires.In the suburbs, a young mother is looking after her two children. She used to be a successful career woman in control of her life and with her husband s undivided attention. But now her control is slipping away. Motherhood is devouring her life. She is desperate to reclaim her sense of self, even if that means thinking the unthinkable.From its softly lit beginning to its explosive, emotional conclusion THE MOTHER S TALE takes the reader on a journey to the dark recesses of one woman s heart and mind; right to the truths that are never spoken, the thoughts that are not written about. THE MOTHER S TALE is a taut, beautifully constructed book which, once begun, cannot be put down, told by a narrator who will not be easily forgotten. It engages and confronts, and will provoke discussion for a long time to come.
