This is probably one of the most powerful books you will ever read, far beyond what the law of attraction and many other secrets about karmic structures and energetic frequencies can unveil to you. Within this book you will find a clear answer to questions everyone is asking: Where s my money? Who has my money? Why can t I be rich? If you ever wondered why the Illuminati, the Freemasons and the Scientologists are among the most profitable organizations in the world, and what they know that was also known by the Knights Templar, then you must continue with this reading. This book may not change the world or anyone that reads it. You will understand from the reading why it s so difficult for you to be rich, and how you ve been programmed to be poor since a very early stage in life. You will also understand through this reading the relation between your family, your emotions, your past life experiences and your own auric vibrations. Today I drink...
